Stamily Erasmus+ Youth Exchange 2026

What is the Stamily Erasmus+ Youth Exchange?

A youth exchange programme for young people who stutter, funded by Erasmus+ and organized by Stamily (stamily.org). A week full of workshops, activities and intercultural encounters that provide participants with a safe space to share, learn and strengthen their self-confidence. The focus is on exchange and mutual understanding, without speech therapy. The programme is organised by people who stutter themselves, creating a particularly authentic, welcoming and supportive environment. Each Youth Exchange involves 6 countries, each represented by a group of 7 participants.
